

# Facebook and Google Access Tutorial

# Facebook Access:

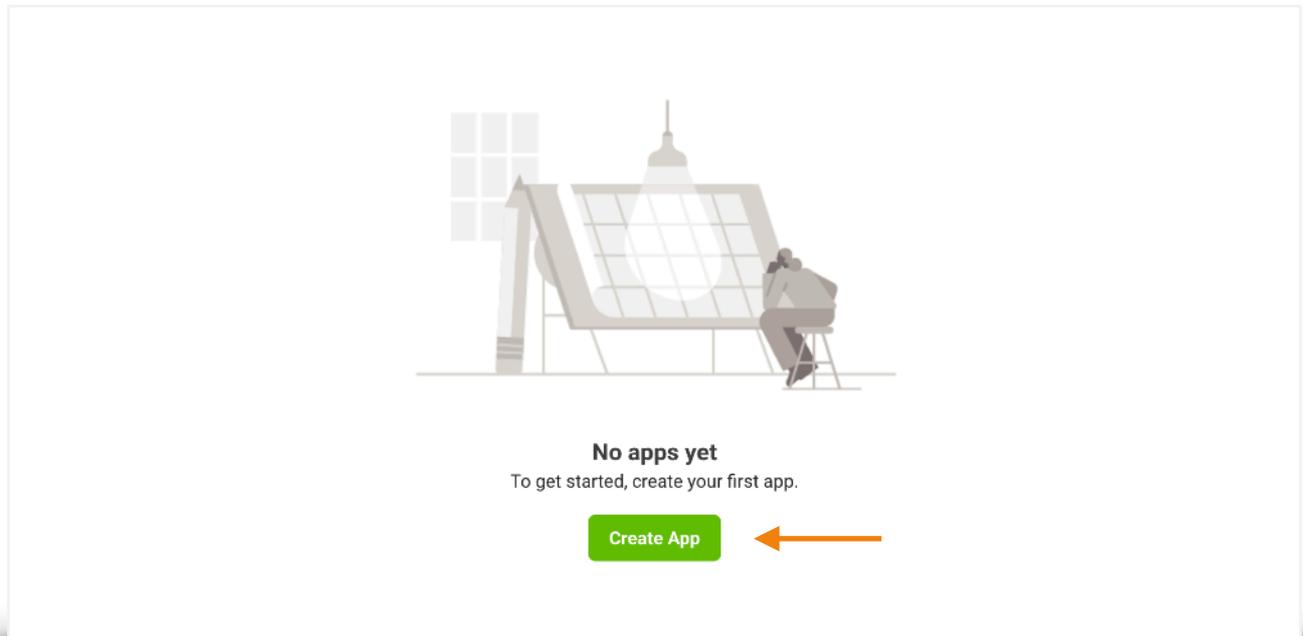

- Visit the website <https://developers.facebook.com/>. At the top right of the page, select "Log in" and log in to your Facebook account.

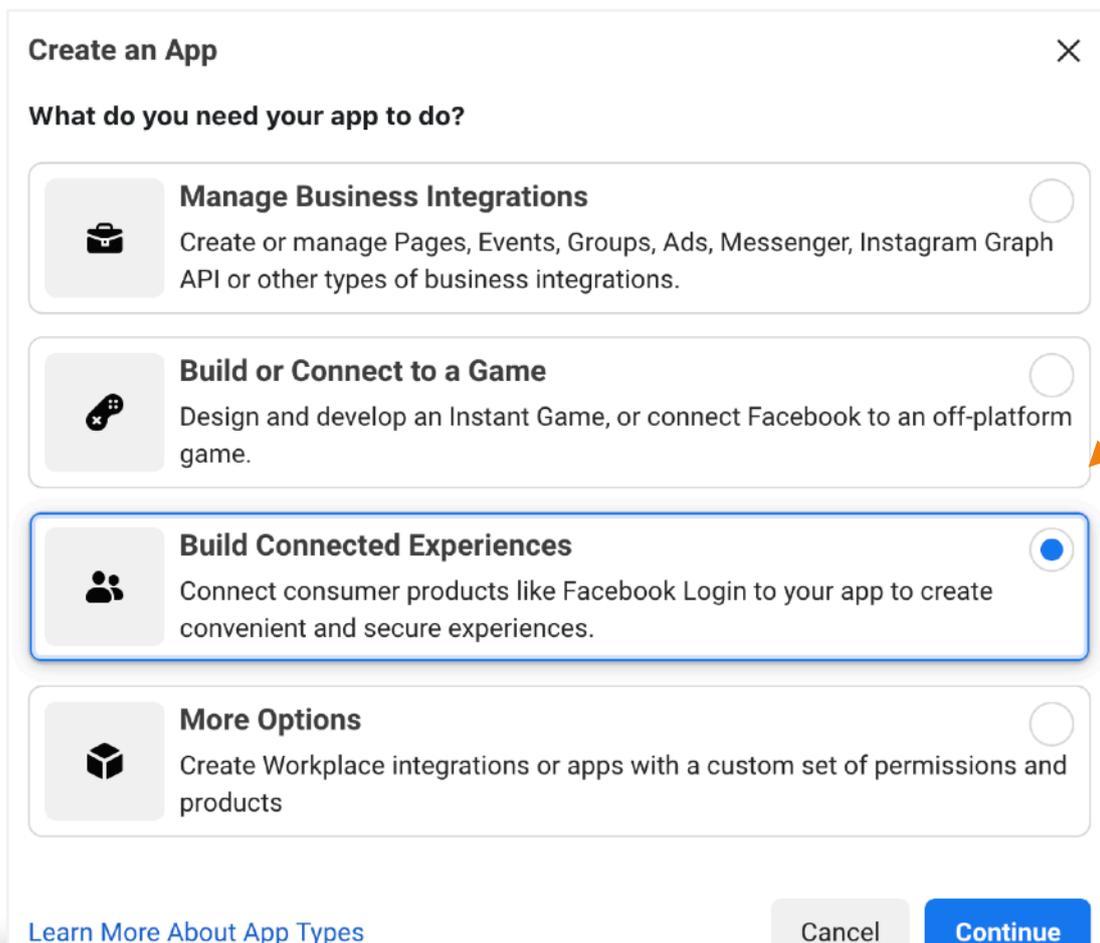

- Once you have completed the login process, you will be automatically taken to [facebook.com](https://facebook.com). You need the Facebook for Developers page, so go back here: <https://developers.facebook.com/>
- Select "Get Started" on the top right of the page and start the registration process on Facebook for developers, where you will need to verify your mobile & email and select your role. Select the owner/founder role.

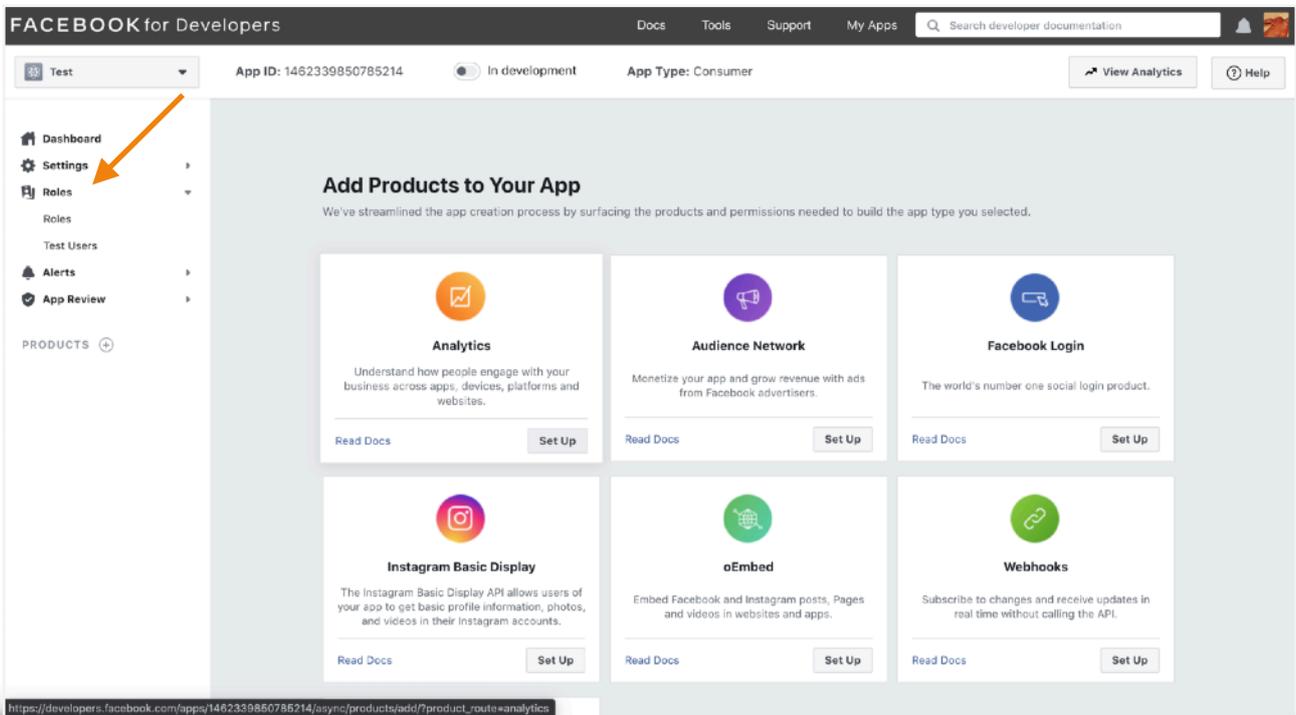

- After completing the registration process, you will be redirected to the page where you will create your application. Select "Create App".

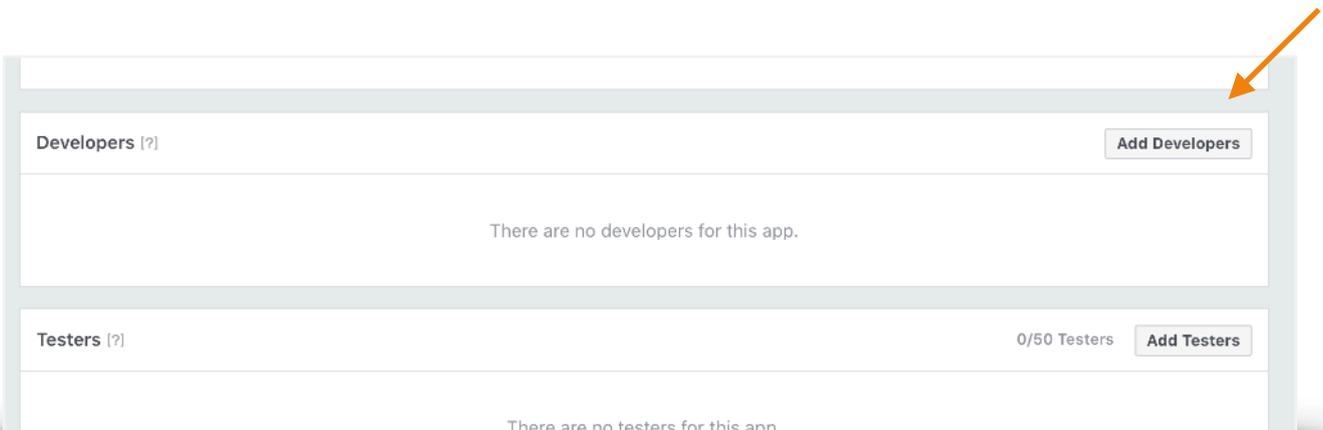

- Then select the third option "Build Connected Experiences" and click "Continue". Then add the application name to complete the process.

- If you are on this page, it means that the process was successful. As you can see on the left side of the page, there is a menu. Click on the “Roles” option and then click again on the “Roles” option below.

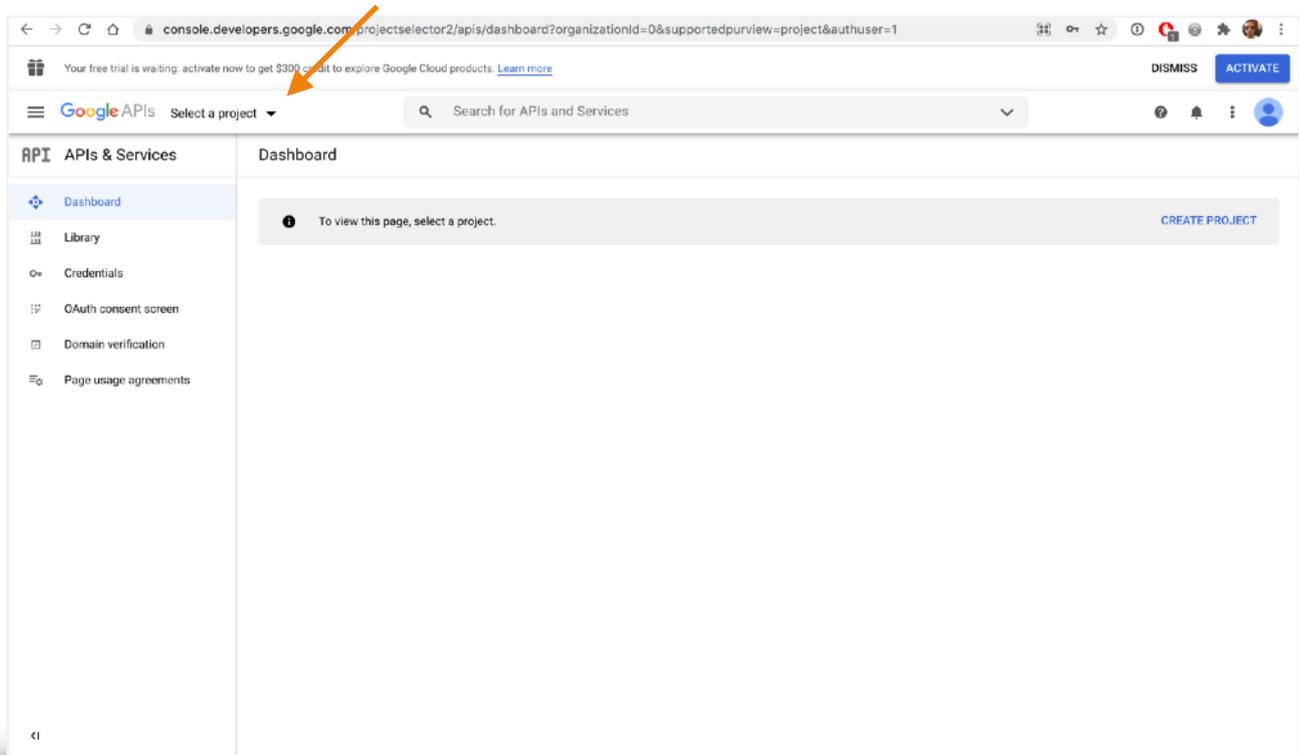

- On the Roles page, click "Add Developers" and type in the name field “yannis.litsas.iproject” to invite us.

You are ready.

# Google Access:

- Sign in with your gmail account here: <https://console.developers.google.com/>. Once logged in, you will be taken to the following page:

- Click "Select a project" located to the right of the Google logo and then click "New project" located on the top right of the page that will open. Give the Project a name and click "Create".

### New Project

**⚠** You have 12 projects remaining in your quota. Request an increase or delete projects. [Learn more](#)  
[MANAGE QUOTAS](#)

Project name \*  
Test project ?

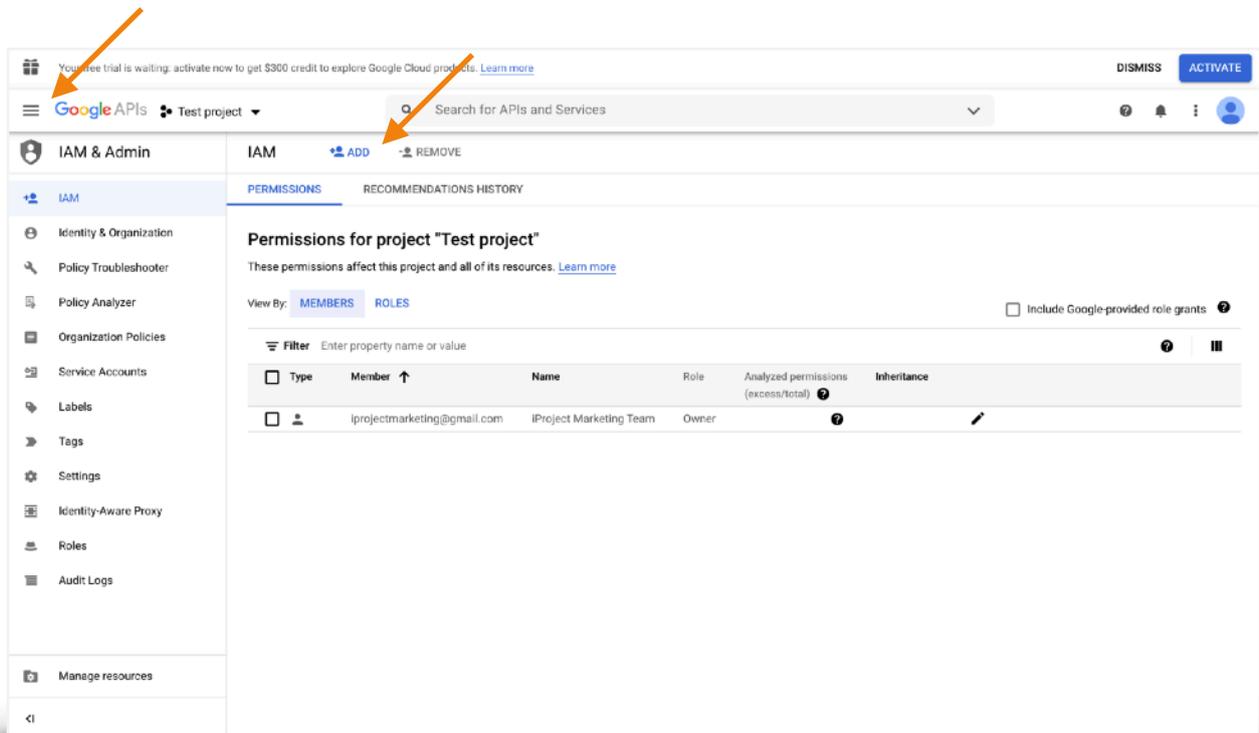

Project ID: expanded-metric-308013. It cannot be changed later. [EDIT](#)

Location \*  
📁 No organization [BROWSE](#)

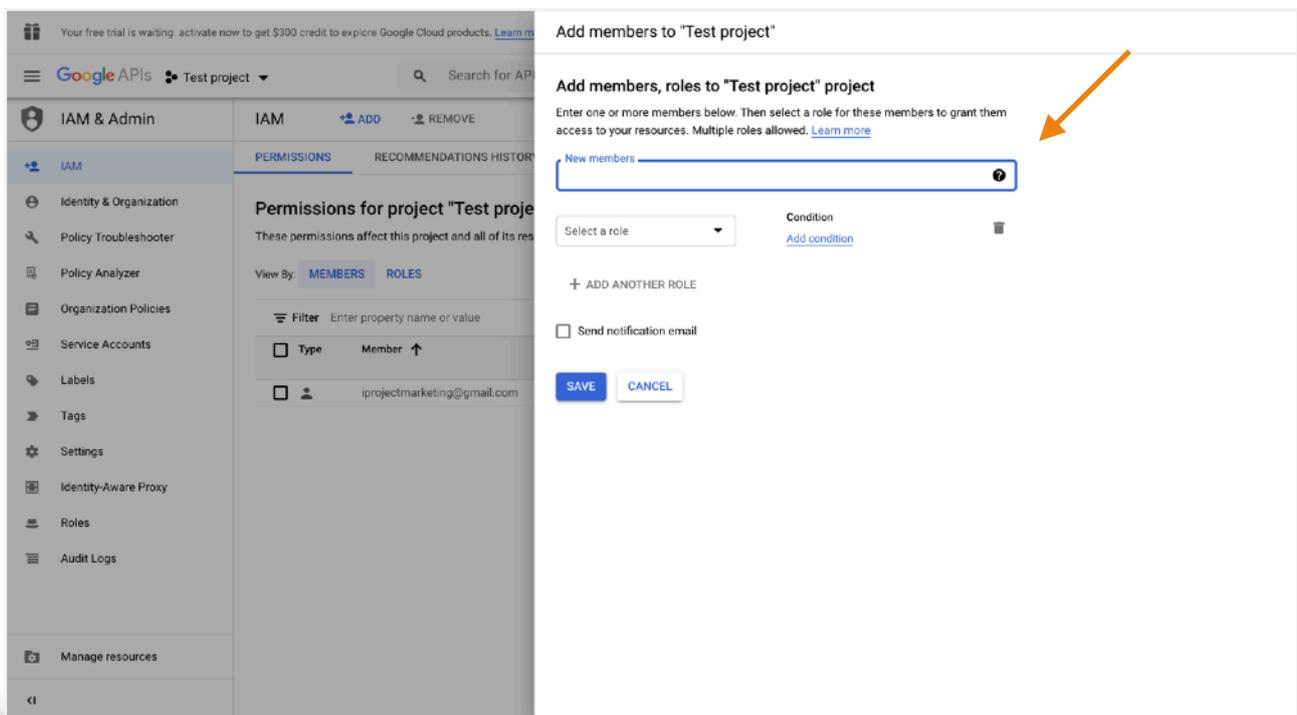

Parent organization or folder

[CREATE](#) [CANCEL](#)

- After creating the project, wait a while and then click on the three dashes to the left of the Google logo. This will open a menu on the side of the page. Select "IAM & Admin" and then IAM.
- You will be taken to the following page where you will press the "ADD" button, located at the top of the page.

- After clicking on it, this following window will open. In the field "New members" fill in the email [iprojectmarketing@gmail.com](mailto:iprojectmarketing@gmail.com) and below select a role by filling in the field the word owner. Save and the invitation will be sent.

- Finally, after you send us the invitation, you will see the following announcement at the top of the Google page. Click "Activate" to get the free google trial and you can use features like maps and Google Login.

- Please note that when the free trial ends, you will need to upgrade to a paid plan in order to continue using Google services. You can do this through your Google cloud console account.

**You are ready.**
